

RULE BOOK

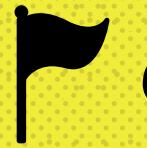

CTF VERSE (CAPTURE THE FLAG)

Step into the world of cybersecurity and put your ethical hacking skills to the test! Compete in a thrilling Jeopardy-style Capture The Flag (CTF) challenge designed to push your limits and crown the best cyber defenders!

GENERAL RULES:-

- Every team must register online through the official Techfest website to participate in the competition.
- Upon registration, a Team ID will be issued to each team, which must be used for all future correspondence.
- Teams can consist of 1 to 2 members only.
- Participants must bring their own laptops to the event.

RULE BOOK

CTF VERSE (CAPTURE THE FLAG)

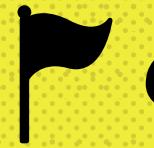

GENERAL RULES:-

- Teams are responsible for the safety and functionality of their devices.
- Laptops should be fully charged before the competition.
- Mobile phones and smart devices are not allowed during the competition.
- The organizers reserve the right to change any of the rules if necessary. All updates will be posted on the official website and communicated to the registered teams.

RULES AND REGULATIONS:-

- The competition will follow a Jeopardy-style format where teams solve challenges from categories like web, cryptography, reverse engineering, forensics, and more.
- The CTF platform will be hosted by Cyber Peace Foundation.
- The event will be conducted in the college lab, and the lab/room number will be shared in advance.
